## Marked Qualification Round

Dear Team Managers,

Please advise your athletes of the following:

As courses from Thursday 20 August are marked, RECURVE and COMPOUND athletes who were asked to cover/tape the bow manufacturer's logo on the sight window can remove the tape.

This applies only to logos placed on at the point of bow manufacture. All other additional logos must remain covered.

Now that the courses are MARKED, your athletes are permitted to take CAMERAS on the courses. Cell Phones/storage devices are still PROHIBITED.
