## Do not take food out of the hotel!

Dear Team Managers,

The Westin Hotel has reported seeing national archery teams taking extra food out of the hotel restaurant, during breakfast and dinner servings.

Taking food out of the breakfast and dinner restaurant is **strictly forbidden** and if seen by the hotel staff, further action will be taken by the hotel.

Please do not take food out of the hotel restaurant. The Westin Hotel has been flexible to move the breakfast time earlier and provide additional lunch packs upon 24 hour notice.

Thank you for your understanding,

*World Archery Federation*
