

Zagreb - Thanks for the good work done

Dear friends:

Let me share with you that what we have seen has been very pleasant and impressive in some areas!

The event looked very well organized, delivered and run. The branding and look-design of the field of play was just excellent. For me the best ever in an Field W.Ch!!!

So, CONGRATULATIONS to the entire team: LOC-CRO team and volunteers, WA event team, Match and lanseo, Branding team, TD and Sport Presentation.

In Youtube day 1 has already 7100 views... and day 2 session 1+2 viewers are growing hour per hour with already 3500 + 5000 viewers . Great numbers!

Again, well done to all and each of you!! You must be very proud for the event delivered.
All the best and see you around!
