The NOCs of Europe

Dear President,
Dear Friend,

The Russian International Olympic University (RIOU) has very generously offered the EOC a free scholarship for a high-level, intensive Master in Sports Administration course, commencing September 2018 and lasting the academic year, and we thus kindly invite you to submit a candidate for consideration, should you so wish, within the deadline of 28 April.

Candidatures submitted by NOCs should be accompanied by a comprehensive CV, and will be evaluated by the EOC, who will select and submit the winner to the RIOU.

Regarding expenses, the scholarship covers the tuition fee and accommodation (double-occupancy in a 3-star apartment hotel close to the University), as well as a small monthly allowance.

For further details on the course and candidature requirements please see the attached presentation and calendar, and also feel free to contact the RIOU directly (Ms Adelina Akhmetzyanova, International Relations Manager, tel. +7 495 956 2430 ext. 3733, email adelina@olympicuniversity.ru) should you require any additional information.

With best wishes,

Raffaele Pagnozzi
